Lash Extension Consent

Although every precaution will be taken to ensure your safety and wellbeing before, during and after your lash extension application, please be aware of the following information and possible risks. Please initial:

I understand that a full or partial set of lash extensions are adhered to my natural lashes, fullness & length are subjected to the condition (thickness, strength and length of my natural lashes)

I understand that this is a elective procedure and amount paid cannot be refunded.

I understand that lash extension services have some inherent risk of irritation to the orbital eye area, including the eye itself, and could result in **stinging and burning, blurry vision and potential blindness** should the adhesive enter the eye or should an allergic reaction occur.

I understand that some irritation, itching or burning may occur on the skin if the bonding agent comes into contact with it.

I understand that if the bonding agent comes into contact with my eye, my eye will be flushed with water and I will be advised to seek medical attention.

I understand that this is a semi-permanent procedure, as my natural lashes will continue to grow and fall out normally, making touch-up or "fill" appointments necessary to maintain the original look achieved by replacing the lashes that have fallen out. Most clients require a fill appointment every 2-3 weeks.

I understand that it is imperative that I disclose all of the information requested in the Client Profile/Health History & advise our staff of any allergies.

I have cited all conditions and circumstances regarding my health history, medications being taken, and any past reactions to products or medications.

I understand that additional conditions could occur or be discovered during the procedure which could affect my ability to tolerate the procedure.

I consent to "before and after" photographs for the purpose of documentation, potential advertising and promotional purposes.

I understand that if I have any concerns, I will address these with my lash extension specialist. I give permission to my lash extension specialist to perform the lash extension procedure we have discussed, and will hold him/her and his/her staff harmless and nameless from any liability that may result from this treatment. I have accurately answered the questions above, including all known allergies, prescription drugs, or products I am currently ingesting or using topically. I understand my lash extension specialist will take every precaution to minimize or eliminate negative reactions as much as possible. In the event

I may have additional questions or concerns regarding my treatment, I will consult the lash extension specialist immediately. I agree that this constitutes full disclosure, and that it supersedes any previous verbal or written disclosures. I certify that I have read, and fully understand, the above paragraphs and that I have had sufficient opportunity for discussion to have any questions answered. I understand the procedure and accept the risks. **I do not hold the lash extension specialist, or facility responsible for any of my conditions that were present, but not disclosed at the time of this procedure, which may be affected by the treatment performed today.**
